ROYAL SHORTHORNS

*At the American Royal Live Stock Show
Fine Stock Pavilion, Kansas City, Missouri
Thursday, November 18, 1920*

Sale begins promptly at one o'clock p. m.

Under auspices of American Shorthorn Breeders Association

Announcement

THE fifty-five head of Shorthorns offered in the Royal sale have been very carefully inspected by a representative of the American Shorthorn Association. They come from the best herds in the Missouri Valley. The type, quality and breeding of the offering is such as to commend them to breeders who wish to add individuals of merit to herds already established. For the same reasons this will be an excellent opportunity for those who expect to lay in foundation stock upon which to build a herd to secure the right type of cattle.

Several bulls are included in the offering which may be developed into herd bulls or show bulls for next year's circuit. Some splendid prospects are sold as calves at the side of their dams.

All of the females of breeding age are safely in calf with the exception of one or two whose owners did not have herd bulls suitable for mating with them. The cows more than three years of age either have calves at side or are close to calving.

A careful study of the pedigrees of these cattle indicates that they carry the blood of the best bulls in America at the top. This is undoubtedly the best consignment of Shorthorn cattle ever offered in Kansas City.

Terms and Guarantee

Terms—Cash unless other arrangements are made prior to the sale with the consignor. All settlements to be made with the clerk representing the Association. The cattle will be at the buyers risk after bid off but the usual care will be given by the sellers until placed aboard cars, which will be done without cost to the purchaser.

Pedigrees—A certificate of registry and transfer will be furnished with each lot.

Guarantee—All animals of breeding age are guaranteed breeders. Cows with calves at foot need no further guarantee. All cattle will have been tested before the sale. They are sold subject to a sixty day retest.

Auctioneers—N. G. Kraschel, Wm. (Scotty) Milne and P. M. Gross.
